1001 Auburn Drive, Blacksburg VA 24060-8123

1 January, 2012

Roper Energy Company, LLC (REC) was formed on 1 January 2012. It is located in Blacksburg, Virginia.

The partners in REC are, with initial shares:

- L. David Roper (LDR): share 57.86%
- Thelma Lee Roper Revocable Trust Fund (TLR): share 40.39%
- Tamra Dawn Oliver (TDO): share 0.88%
- Truda Gaye Roper (TGR): share 0.88%

The initial purpose of REC was to own Rowland Court Apartments and the 0.695 acres on which it stands.

A new energy-efficient Earthcraft apartment building with solar energy, Roper Energy Apartments (REA), will be built by REC. It is expected to be finished by July 2013.

The TLR share includes three Certificates of Deposit at National Bank in Blacksburg, Virginia, most of whose funds will be used to build REA.
